

Comprehensive Care Clinic
ccc topics presentation
(6th year females)

| DATE / TIME | NAME OF STUDENTS | TOPICS | SUPERVISOR |
|---|------------------------------------|---|-----------------------|
| Sat (27-12-2008) (8:00-12:00) A.M. | Ebtehal Khaled Othman ALAnquri | Effect of preparation designs and luting agents on the fracture resistance of partial ceramic crowns | Prof. Abdulmohsen |
| | Abrar Abdullah Hassan Tounsi | Effect of porcelain application technique and load fatigue on the marginal fidelity of electroforming copings | Prof. Abdulmohsen |
| | Arwa Saleh Moh'd Radwan | Types of failure associated with fixed partial denture and its survival rate | Dr.Aiman |
| | Arwa Ali Yahia Daghery | Pulpal involvement associated with full crown tooth preparation | Dr.Aiman |
| | Esraa AbdulGader Tash Tash | Ion-Leachable Restorative Materials(Fluorid release and recharge) | Prof. Shehata |
| | Ashwag Yaqub Youssef ALOyouny | Color Parameters and color selection of dental ceramics | Prof.A.ELKhedery |
| | Afnan Anas Mohamd Saeed Nassar | Efficacy of Continuous Wave Cmpation Technique Versus Schilder Technique for Root Canal Obturation | Prof. Saif |
| | Afnan Abdulahad Emam Kashkari | Gutta-Flow: A new Era in Endodontic Obturation | Prof. Gomaa |
| | Afnan Abdulaziz Abdulmajeed | Post-operative Pain after Endodontic Teratment | Prof. AbuZaid |
| | Ala'a Jamal Ahmad Badghaish | Role of Stem Cells of Dental Papilla on the Healing Potentiality of Pulpal & Periradicular Iesions | Prof. Fahim |
| | Alaa Kamel Mohamed Saleh Garoot | Assessment of Endodontic Treatment Outcome | Dr. Balto |
| | ALAnoud Moharaib Sammar AL- | Regenerative Potential of Dental Pulp | Dr. Bahammam |
| Sun (28-12-2008) (8:00-12:00) A.M. | Amal Mohammed Defallah AL-Sawat | Clinical outcomes of nonsurgical periodontal therapy | Prof. ELSherbini |
| | Aminah Hasan Mohsen AL-Esawy | Emergency Treatment of periodontal lesions | Prof. Magda Marai |
| | Eman Suraihan AL-Mabadi | Systemic complications of periodontal lesions | Prof.ELSayed |
| | Reem Ahmed Abdul-Rhman AL-Mashat | Implant or the natural tooth | Prof. Mona Abdelrazak |
| | Bayader Mohammed Birky ALMasoudi | Implants in medically compromised patients | Dr. ALJohani |
| | Taghreed Ahmad Attiah ALHarbi | Aggressive Periodontitis | Dr. AL- Zahrani |
| | Duaa Mohsen Mostafa AL-Halees | Periodontal Complications Of Orthodontic Therapy | Dr.AL-Tayeb |
| | Dima Talal Salim AL-Domiaty | Periodontal Complications Of Orthodontic Therapy | Dr.AL-Tayeb |
| | Thekra Awad Hassn AL-Malki | Implants in Qualitatively Compromised bone | Dr. ALDessouky |
| | Rana Osamah Moustafa AL-nunu | Implants in Qualitatively Compromised bone | Dr. ALDessouky |
| | Zaina Essam Ahmed Kalthoum | Periodontal cost of smoking | Dr.AL-Gorab |
| | Sarah Ahmed Mahmoud Bukhari | Complications and management of regenerative therapy | Dr. M.karima |

| DATE / TIME | NAME OF STUDENTS | TOPICS | SUPERVISOR |
|---|--|---|---------------------|
| Tues (30-12-2008) (8:00-12:00) A.M. | Sara Adel Ahmed Basri | The neutral zone in complete denture | Prof. Ezzat |
| | Salma Hossameldin Mohammed | Clinical investigation of the fit of removable partial denture | Prof. Nawar |
| | Suha Mohammed Salim AL-Huwairini | Prosthodontic treatment for patients with microstomia | Prof. Nawar |
| | Susen Faisl Rajeh AL-Haidary | Clinical out come of altered cast impression procedure compared with use of one-piece cast | Prof. Nawar |
| | Sereen Abdulrahman Ahmad Kattan | Hybrid gate design framework for rehabilitation of patients with jaw defects | Prof. Nawar |
| | Shahinaz Nabil Mohammed Simbawa | Prosthodontic determination of the curve of Spee | Prof.Samahi |
| | Shahad Mohammed Najeeb Abudawood | Resilient liners | Prof.Samahi |
| | Safaa Ali Mohammed Gadi | Centric relation as the treatment position | Prof.Samahi |
| | Abeer Abdulelah Sadaqa Sindi | When the vertical dimension can be changed? | Prof.Samahi |
| | Abeer Ali Hassan Hadadi | Occlusal splint therapy | Dr.Amal |
| Abeer Mohammed Abid Abdullah | Overdenture for elder patients | Dr.Amal | |
| Anan Abdulhameed Abdullah AL- | Bruxism management | Dr.Amal | |
| Sun (4-1-2009) (8:00-12:00) A.M. | Fadhilah Kamel Kazem AL-Qassab | Effect of preparation designs and luting agents on the fracture resistance of partial ceramic crowns | Prof. Abdulmohsen |
| | Lama Faiz Galib Khoja | Effect of porcelain application technique and load fatigue on the marginal fidelity of electroforming copings | Prof. Abdulmohsen |
| | Lamees Khalid Hamodh Koshak | Types of failure associated with fixed partial denture and its survival rate | Dr.Aiman |
| | Lujain Jamal Fouad Bassyouni | Pulpal involvement associated with full crown tooth preparation | Dr.Aiman |
| | Maram Abdullah Saeed aL-Ghamdi | Gutta-Flow: A new Era in Endodontic Obturation | Prof. Gomaa |
| | Mashail Saed Mohammed AL-Qhtany | Post-operative Pain after Endodontic Teratment | Prof. AbuZaid |
| | Maha Sami Mohammed Eid | Efficacy of Continuous Wave Cmpation Technique Versus Schilder Technique for Root Canal Obturation | Prof. Saif |
| | Maha Abdullah Ahmed Rukun | Role of Stem Cells of Dental Papilla on the Healing Potentiality of Pulpal & Periradicular Iesions | Prof. Fahim |
| | Manal Ahmad Ali Ba Katheer | Regenerative Potential of Dental Pulp | Dr. Bahammam |
| | Maha Mohammed Yacobe Marghalani | Ion-Leachable Restorative Materials(Fluorid release and recharge) | Prof. Shehata |
| Mai Zohair Moh'd AL-Marzouki | Color Parameters and color selection of dental ceramics | Prof.A.ELKhedery | |
| Nujood Saeed Ahmed AL-Ghamdi | The biocompatibility of resin-modified glass-ionomer cements | Dr. D. Abu-alenain | |
| Mon (5-1-2009) (1:00-5:00) P.M. | Najwa Abdulrasheed Abdulaziz Hafex | Pros& Cons Of One- Step Adhesive Systems | Prof. Zaki |
| | Noran Sayed Ahmed Yosef | Fluoride Release of Resin Modified Vs Conventional Glass Ionomer Restorations | Prof. Shams |
| | Nora Mohammed Abdulrahman Alnajjar | Nano Filled Glass Ionomer Restorations | Prof.F.Othman |
| | Nouf Ahmad Amari AL-Malki | Is It Time To Shift To Silorane Composite | Dr. Ghulman |
| | Heba Lutf allah Turan Qari | Composite Polymerization With Lasers | Dr.M.K.Salman |
| | Heba Mohammed Malek Hamdan | Effect Of Xylitol In Caries Prevention | Dr. H. Jamjoom |
| | Wijdan Saad Abdullah ALSaedi | Polymerization Shrinkge of Nano Composits | Dr. H.Marghalani |
| | Wed Abdulaziz Mohammed AL-Yousef | Anticariogenic Potentials of green tea extract. | Prof. M.Abdulhameed |
| Walaa Ali Hassan BaBaeair | Halitosis "Diagnosis and mongment" | Prof. Ouda | |
| Yasmin Abbas Ahmed Fadol | Bisphosphonates in dental patient | Dr. AL-Attas | |
