A Trip to Remember

Last summer, my sister and I had a wonderful trip. We went to Alaska for three weeks. It was very interesting and exciting. We arrived at 10:00 in the evening, but it was still light. In the summer, the days are longer and nights are shorter in Alaska. The weather was beautiful, but it was colder than in California.

We rented a car and went to Seward. There were many tourist boats and fishing boats. We took a trip on one of the boats. There were many fish in the water. There was also snow and ice on the mountains. It was quite cold.

We also visited another large park. We rode on a bus through the park. There were beautiful mountains and lakes. We saw many animals, including wolves. We had lunch by a large lake. It was very quiet and peaceful there. Later, we walked around the lake. On the way back, we stopped to see some dogs. They pull sleds in the winter.

We were sad to leave. But we didn't want to stay in Alaska for the whole summer. We enjoyed our trip, and we are going to plan another trip there in the future.
