

## FACULTY VITAE

### General Information:

Name	Nationality	Photo
Ibrahim Mosly	Saudi	

### Education:

Degree	Discipline	Institution	Year
Ph.D.	Civil Engineering, Project Management	RMIT University, Australia	2012
Masters	Civil Engineering, Project Management	University of Melbourne, Australia	2008
Bachelors	Civil Engineering	King Fahd University of Petroleum & Minerals, Saudi Arabia.	2006

### Academic Experience:

Institution	Rank/Title	Period	FT/PT
King Abdulaziz University- Faculty of Engineering at Rabigh	Assistant professor	2012- currently	FT
RMIT University	Staff member	2009-2011	PT

### Non-academic Experience:

Company/Entity	Position	Period	FT/PT
Hidada Ltd.	Steel design engineer and a project engineer	2006 – 2007	FT
Zuhair Fayeze Partnership	Site Engineer	2005	FT

### Certification or Professional Registrations:

- Certified Green Star Associate by the Green Building Council of Australia.

### Current Membership in Professional Organizations:

- Member of the American Concrete Institute, Eastern Province, Saudi Arabia.
- Member of the Australian Institute of Project Management, Victoria, Australia.

### Important Publications and Presentations from the Past Five Years:

- Guomin Zhang, Ibrahim Mosly and Sujeeva Setunge 2012, Critical risks influencing the application of EERTs in Australian green office buildings, Proceedings of the 2012 International Conference on Civil Engineering, Architecture and Sustainable Infrastructure, Zhengzhou, China, 22-24 September 2012.

- Ibrahim Mosly, Guomin Zhang and Sujeeva Setunge 2011, Managing critical risks of energy efficient and renewable technologies implemented in Australian green office buildings, Proceedings of the World Renewable Energy Congress, Bali, Indonesia, 16-20 October 2011.
- Ibrahim Mosly, Guomin Zhang and Sujeeva Setunge 2011, Identification of critical risks influencing the application of energy efficient and renewable technologies in Australian green office buildings: Preliminary findings of a survey, Proceedings of the 25th International Project Management Association (IPMA) World Congress, Brisbane, Australia, 9-12 October 2011.
- Ibrahim Mosly and Guomin Zhang 2010, Study on risk management for the implementation of energy efficient and renewable technologies in green office buildings, Proceedings of the Transition to Sustainability Conference, Auckland, New Zealand, November/December 30 – 03, 2010.
- Ibrahim Mosly and Guomin Zhang 2010, Review of risks for the implementation of energy efficient and renewable technologies in green office buildings, Proceedings of the Sustainable Building Conference, Wellington, New Zealand, May 26 – 28, 2010.

#### **Professional Development Activities:**

- Computer Software's including but not limited to: Microsoft Office, Microsoft Project, AutoCAD, SPSS, NVivo and TEKLA Structures (X-Steel).
- Languages: Arabic (mother tongue) and English (excellent spoken and written).

#### **Conferences and meeting**

- International Conference on Civil Engineering, Architecture and Sustainable Infrastructure, Zhengzhou, China, 22-24 September 2012.
- Australian green office buildings, Proceedings of the World Renewable Energy Congress, Bali, Indonesia, 16-20 October 2011.
- Australian green office buildings: Preliminary findings of a survey, Proceedings of the 25th International Project Management Association (IPMA) World Congress, Brisbane, Australia, 9-12 October 2011.
- Green office buildings, Proceedings of the Transition to Sustainability Conference, Auckland, New Zealand, November/December 30 – 03, 2010.
- Green office buildings, Proceedings of the Sustainable Building Conference, Wellington, New Zealand, May 26 – 28, 2010.
