

## **Al-Amoudi chosen member of UICC board in Geneva**

JEDDAH: Dr. Samia Al-Amoudi, the Associate Professor at King Abdulaziz University (KAU), was chosen as a member of 14-strong Board of Directors of Geneva-based International Union Against Cancer (UICC). She was selected from a pool of more than 80 candidates during a meeting held by UICC on August 26th, 2012 in the city of Montreal. Dr. Al-Amoudi told the Saudi Press Agency (SPA) that this achievement is a strong evidence on the women's development in the Kingdom of Saudi Arabia and reflects the ongoing support of Saudi women by the government of the Custodian of the Two Holy Mosques King Abdullah bin Abdulaziz Al Saud.
