

***CURRICULUM VITAE***

**Personal data:**

**Name:** Basem Salama Abdel El-haleem El-deek

**Nationality:** Egyptian

**Gender:** male

**Birth date:** 28 November, 1970

**Marital status:** married

**Religion:** Moslem

**Previous job:**

- Lecturer of public health and public medicine in faculty of medicine Mansoura university(2002-2004)

- Assistant professor of family and community medicine in king fasial university college of medicine(2004-2005))

**Current job**

- Associate professor of family and community medicine in king Abdel Aziz college of medicine.(2007-...)

- Associate professor in medical education departement in king Abdel Aziz college of medicine.(2008-...)

-

**Tel:** 057/2225332                      057/335834                      057/2531637

050/2366336                      057/348122

**Mobile** 0123741226 / 0105608286

**Mailing address:** [basem\\_eldeek@yahoo.com](mailto:basem_eldeek@yahoo.com)

**Activities in KAU college of medicine (2006/2009)**

PBL co-coordinator in male section in king Abdel Aziz College of medicine (2007- till January 2009).

Co chairman of task force committee in accreditation committee in king Abdel Aziz College of medicine (2008-.....).

Member of medical education program accreditation committee(2008.....)

Member of couse specification and report committee. (2008.....)

Member of study guide committee (2008 .....)

Member of data base committee. (2008.....)

Co-coordinator of clinical skill module committee(2008.....)

**Teaching and training experience:**

-Teaching responsibility in the medical college for the second, fourth and fifth year medical students since 2005 (lectures- practical sessions- clinical teaching-computer session – community approach and field survey).

- **Training courses of PBL for academic staff in king Abdel Aziz College of medicine (2007-2008). (2008-2009).**

- **Training course of SPSS for administrative and secretary in king Abdel Aziz College of medicine (2007-2009).**

- **Training course of SPSS for academic staff in center of development in King Abdel Aziz University (2007-2009).**

- **Work shop in PBL for academic staff in center of development in King Abdel Aziz University (2007-2008).**

- **Participation in curriculum committee for fourth year community medicine in king Abdel Aziz College of medicine (2008-2009).**

▪ Attendance of the workshop entitled “Good Clinical Practice Course” in King Fahed research center in February 2009.

**-In the field of research:**

-**Member in research club students, advisory for students, participation in workshops and seminars for orientation of the students.**

-**Poster in king Abdel Aziz College of medicine conference of student research (2007-2008) internet addiction prevalence and effect among students in king Abdel Aziz College of medicine .**

Habbes mohammed\*, hamid abdelroof and bassem s eldeek

- **Poster in gulf conference Assessment of anatomy and histology courses for future clinicians at college of medicine. King Abed Aziz university, Saudi Arabia (2007-2008).**

Habbes mohammed\*, hamid abdelroof and bassem s eldeek

-**Evaluation of using the interactive multimedia in teaching anatomy**

Abdul Monem Al-Hayani and Abd El-Aziz G.S.and bassem S eldeek  
Anatomy Department, Faculty of Medicine, King Abdul Aziz University, Jedda,Saudia Arabia (2007).

-**Pediatricians’ knowledge, perception and experience regarding child abuse and neglect in KSA.**

Hamed habib\*, bassem S eldeek and mostafa abdel al\*  
Pediatric\*, family and community medicine department (2008).

-**Treatment and Short Term Follow up of Cases of Post-viral Chronic Cough in Infants and Preschool Children.**

Abo samir\*, mostafa abdel al\* and bassem S eldeek(2008).

– أخلاقيات مهنة عضو هيئة التدريس في الجامعات السعودية بين الممارسة والتقوى د.هدى بنت دليجان الدليجان أستاذة مساعدة في التفسير وعلوم القرآن قسم الدراسات الإسلامية – كلية التربية – الرياض (2008)

### **Scientific degree:**

- \* M.B.-B.ch 1994 Mansoura University
- \* M.sc in Public Health and Preventive medicine 1999, Mansoura University
- \* Doctor degree in Public Health and Preventive medicine 2002, Mansoura University.
- \* JMHPE (Joint Master of Health professions Education) developed in collaboration between University of Maastricht and Suez Canal University, in April, 2009.

✓ **JMHPE (Joint Master of Health professions Education) the following Modules were studied:**

- Leadership and Management in Health Professions Education.
- The Nature of Student Learning and Learning Environment.
- Curriculum Analysis and Course Design.
- Development of Professional Skills: Acquisition, Training, and Assessment.
- Total Quality Management and Accreditation.
- Research Methodology and Bioethics.
- Program Evaluation.
- Measuring Health Professions Competencies.
- Community-Based Education incorporating Problem-Based Learning.

### **Previous Experience**

#### **I- in the field of primary health care (PHC) and public health:**

1. Participant a research project (epidemiology of hepatitis C virus in an Egyptian village Funded by sector of community and environmental affairs, Mansoura faculty of medicine 2000.
2. Organizer of Mansoura university from 1997 to 2001

#### **II- Training course:**

1. Computer training course using DOS and windows (1996)
2. English language, faculty of education, Mansoura University (1996)
3. Preparation of university teaching staffs, faculty of education  
.,Mansoura University (1997)
4. Training course in Statistical analysis using( SPSS ) Statistical Package of social Science  
.faculty of medicine Ein –Shams university(1998)

5. Training course in biostatistics, faculty of medicine Mansoura University
6. Traing course in faculty and leadership development(FLDP), Mansoura University
- 1) Training course in Faculty and Leadership Development (FLDP), Mansoura University (2004).

The following programs were fulfilled:

Medical ethics program.

Skills of thinking program.

Skills of scientific research program.

Skills of effective communication program.

Taking decision and problem solving.

Skills of effective show.

### III- Thesis supervise

1. Violence against females in Mansoura ,Dakahlia Governorate. M.SC.in public health , Mansoura University, Egypt
2. Cancer Pancreas Epidemiology and risk factors females in Mansoura ,Dakahlia Governorate. M.SC. in public health, Mansoura University, Egypt
3. Evidence based medicine in treatment of nephritis syndromeM.S.C in Pediatric department in Mansoura faculty of medicine ,Mansoura University, Egypt
4. Knoweldge attitudes &practice of school personels towards Violence against students M.S.C in faculty nursing Ain Shams University
5. Epidemiology of leprosy in Dakhlia governorate M.S.C in Dermatology department, Mansoura University, Egypt.

### IV- Membership:

1. Member of Egyptian Association Community medicine
2. Member of the Scientific Society of the Faculty of medicine, Mansoura University
3. Member of the society for community and environmental development, Mansoura University.

### V- Scientific activities:

1. Participation in the scientific conference of faculty of Medicine, Mansoura University (1996-2002).
2. Attendance workshop of "treatment of respiratory tract infection in children(1995&1999)
3. Attendance workshop of "treatment of diarrhea disease in children (1995&1999):
4. Attendance workshop of "importance of breast feeding"(1995&1999)
5. Attendance workshop of" integrated health science modules (2006).

## **VI- Teaching activities**

- 1- Teaching in clinical round for fourth, fifth and six year medical students
- 2- Teaching of biostatistics and methodology to students in faculty of nursing.
- 3- Teaching for specialties in moderate grade of nursing.
- 4- Teaching for postgraduate students in faculty of Tegarra.
- 5- Teaching for fourth & fifth year medical students Lectures in all parts of public and community medicine.

## **Professional experience:**

1. House officer at Mansoura university hospital (March 1995 to February, 1996)
2. General practitioner at Ministry of health & population (March 1996-May 1996)
3. Demonstrator of public health and community medicine, faculty of medicine, Mansoura faculty of medicine (May 1996-August, 1999)
4. Assistant Lecturer of public health and community medicine, faculty of medicine, Mansoura faculty of medicine (August, 1999-Sept. 2002)
5. Lecturer of public health and community medicine, faculty of medicine, Mansoura faculty of medicine (Sep. 2002-Oct. 2005)
6. Assistant professor of family & community medicine in Al-ahsa college of medicine in King Fahad university (Oct. 2005 to June 2006)
7. Assistant prof of family and community medicine in King Abdel Aziz college of medicine. (2006-...)
8. Associate professor of family and community medicine in King Abdel Aziz college of medicine. (2007-...)
9. Associate professor in medical education department in King Abdel Aziz college of medicine. (2008-...)

## **Past experience:**

### **\* In the field of maternal health**

1. Attendance of primary training course at Damietta governorate in the field of maternal and child health services (1996)
2. Supervision & participation in training of primary health care staffs as preparatory steps for implementation of family medicine in Egypt in 2002

### **\* In the field of child health**

Participation in Polio-eradication campaign in (1999-2002)

### **\* In the field of general practice**

Working in daily GC outpatient clinic of red helal (1997-1998)

Working in daily G C outpatient clinic of Gaz Egypt company

From 2002-2005)

### **In the field of quality assurance**

\*Member of quality assurance committee in Mansoura faculty of medicine

\*Writing a proposal for quality assurance and accreditation of the faculty and university in Al-azhar(2006)

\*Teaching experience for fourth year medical student

\*Training course for primary health care physician (2002-2004)

### **Research activities**

#### **I- Published articles:**

##### **1-"Risk factor and hazards of obesity among adults in an Egyptian rural area in Damietta governorate".**

(Saad M. Basem S. Eldeek and Azza El-Biomy) *Bulletin of high institute of public health volume 33 number 1 januray (2003).*

##### **2-"Smoking habits among final year medical students at Mansoura university".**

(Amina Abdel Maksoud,EL-Sayed Saleh,Basem Salam,Mohamad Elhdidy, Mohamed farid &Mohamed AL-Atrouny) *Egyptian journal of chest and tuberculosis volume 52 number 1*

##### **3-"Effect of health education and exercise training on knowledge attitudes practice about DM".**

(Basem S. Eldeek MD,KarimaA. Badwai MD and Nagy M. Shaaban MD) *Benha Faculty of medicine vol. 20,No. 2 May (2003).*

##### **4-"Cerebral palsy; three year at Mansoura University, Pediatric hospital, Neurology department".**

(Mostafa El ayouty ,Basem S. Eldeek and Amr meghed) *Egyptian journal of pediatric, vol. 20, No. 1 (2003).*

##### **5-"Status eplieticus in children with epilepsy potential risk factor".**

(Mostafa El ayouty , A.M. Abdel Al Rahman Basem S. Eldeek) *Egyptian journal of pediatric volume 21 number 1 march (2004).*

##### **6-"Overview on childhood leukemia in North East Egypt".**

(Youssef Al- Tonbary, Ahmad Mansour and basem El-deek) *Egyptian journal of haematology volume 30 number 2 march (2005).*

**7-"Evaluation of risk perception and precaution taken by health care workers for HIV infection in hemodialysis units". (abstract)**

*(Kabbash IA, El-sayed N and El-deek b) Towards a better family health the 12 annual conference Menofya faculty of medicine.*

**8-"Physical educational activity in preparatory and secondary schools".**

*(Abdel Halim, El-deek B and Ekram El-Sabrawy) Mansoura medical journal (2004).*

**9-"Satisfaction of Egyptian couples in Nile delta to different therapeutic modalities of organic erectile dysfunction".**

*(Ashraf H. Ahmed, Mohamed E. El-Hadidy and Basem S. El-Deek) Egyptian Journal of Andrology & Reproduction, the official Journal of the Egyptian Society of Andrology, vol.18, No.1, January (2004).*

**10-"Relation between protozoa infection and abnormal growth parameters".**

**11- "Knowledge, attitude, and practice of pregnant females toward toxoplasmosis".**

*(Maged El-shamy, Osmia Warda and Basem S. El deek) journal of egyptian society of obstetric and gynecology volume 30 number 10,11,12 (2004).*

**12-"Some abnormal behaviors among patients suffering from vitiligo".**

*(My roles in the following articles are Statistical analysis and writing of results only I would not used in promotion (13-17).*

**13- "Implication of TNF alpha, sFAS & apoptosis in insulin dependent DM".**

*(M. Hafez, M. El-Ziny, S. Hawas, Z. El-Morsy, A. Settin, M. Shokeir, A.R. El-Hadidy, M.M Hafez, R. El-Baz and B. El-Deek) Journal of Medical Sciences, vol. 2, no. 3 (2002)*

**14- "Gene \_expression&circulating cytokines in juvenile rheumatoid arthritis".**

*(M. Hafez, S. Hawas, M. F. El-Batouty, Z. El-Morsy, A. Shaltout, A. Settin, M. Shokeir, M. El-Haggag, M.M., H. Al-Marsafawy, M.M. Ali, G. Attia and B. El-Deek) The Egyptian Journal of Paediatrics, vol.17, no. 4 (2000)*

**15-" Assessment of the effect of compatibility marker o bone marrow transplants in hematological malignancies"**

*(Farha El-Shennawy, Mohamed Hafez, Hosam Kamel, Osama S, Salama, Yosef Al-Tonbary, Yosef Mosaad, Sherief Mhsen, Basem El-Deek) Haema, 6(1), (2002).*

**16-"Proinflammatory cytokines (IL-12 and IL-18) in immune rheumatic disease: relation with disease activity & auto antibodies production".**

(Youssef M. Mosaad, Shereen S. Metwally, Fatma A. Auf, Elham R. Abd El-Samee, Basem El-Deek, Nabil I. Limon and Farha A. El-Chennawi) *The Egyptian Journal of Immunology*, vol. 10 (2), (2003).

**17-" m RNA of circulating cytokines in Juvenile rheumatoid arthritis:**

**II- Published articles but my role only in data collection**

**18-"Epidemiology and risk factors of cancer bladder" Acknowledgment"**

**In the field of medical education**

- 1- Workshops and training courses:
- 2- Recent Research and research in the field of medical education
- 3- Report on the activity at KAU faculty of medicine from 2007 to 2010

**Workshops and training courses:**

<b>NAME OF THE WORKSHOP</b>	<b>PLACE OF ISSUE AND DATE</b>
1. التقديم فى دورة الابتعاث	مركز تطوير التعليم الجامعى 2007
2. Sample Size Calculation (Speaker)	In Al Ahsa Hajar hall on 31 <sup>st</sup> March 2006
3. PBL Tutor Training Program(Speaker)	in KAU from 10 – 17 November 2007
4. التقديم فى دورة التعليم المبنى على العضلات	مركز تطوير التعليم الجامعى 2007
5. SPSS (Speaker) التدريب على برنامج	مركز تطوير التعليم الجامعى 2007
6. PBL Tutor Training Program(Speaker)	المعهد السعودى للخدمات الصحية 2008
7. Educational Goals	In KAU, from 19 <sup>th</sup> – 20 <sup>th</sup> October, 2008
8. The impact of Simulation in Education :Lessons Learnt	In KAU on 1-2 November, 2008

9. The First Medical Students Research Day	In KAU on April 24 <sup>th</sup> 2008
10. Balanced Score Card	In KAU from 10 March 2009
11. Student Assessment Strategy Workshop	In KAU from 2 – 3 <sup>rd</sup> June 2009
12. The Second Medical Students Research Day	In KAU on April 16 <sup>th</sup> 2009
13. Research Methodology	In KAU on 14 – 15 November 2009
14. Student Assessment Made Easy	In KAU on 2 - 3 November 2009
15. 1. Leading the Omentum International Accreditation Process. 2. Enhancing Quality Health Services with accreditation Canada on Patient Safety	In KAU 14 and 15 December 2009
16. Exam preparation Course	In KAU clinical skills center on 21 – 25 March 2009
17. Mini CEX Training	In KAU 11 January 2010
18. Application of Simulation in Health Education	In KAU 12 January 2010
19. Simulation in Health Education	In KAU 9 January 2010
20. Course Design Academic	In KAU 19 – 20 December 2009
21. Exam preparation Course	In KAU clinical skills center on 21 – 25 March 2009
22. Tips on research methodology (Speaker)	In KAU faculty of medicine medical education department 2009
23. Tips on research methodology 24. (Speaker)	In KAU faculty of medicine medical education department 2010

## **2-Recent Research and research in the field of medical education**

	In process	Taif University Journal of Science ( <b>national peer-review journal)</b>	8- Problem based learning experience in Faculty of Medicine of King Abdel Aziz University (2007-2009)
ISSN 1110-2381, 757 – 765	2009-1-1	Reprint from the scientific journal of Al – Azhar medical Faculty (Girls) ( <b>national peer-review journal)</b>	9- Evaluation of using the interactive multimedia in teaching Anatomy
			10- Proposal of a research to the Ministry of Higher Education on: مخرجات التعليم قبل الجامعي واختبار القياس والسنة التحضيرية و علاقتهم بظاهرة الرسوب والتسرب في الكليات الصحية بامملكة العربية السعودية (قيد البحث)
(ongoing)			11- Proposal of a development research on : "Comparative study of the effect of the clinical skills module on the level of performance of students of college of medicine in KAU on phase II of the new curriculum"

### 3-Report on the activity at KAU faculty of medicine from 2007 to 2010

## To Whom It May Concern

This is to certify that Associate Professor Basem Salama El-Deek has been a symbol of hard multi – task worker during my deanery in the Faculty of Medicine – King AbdulAziz University; as evidenced by the fore coming achievements and leadership positions:

#### **LEADERSHIP & ADMINISTRATIVE POSITIONS:**

- Co-chairman, Main Task Force – Committee for Academic Accreditation from the LCME- King Abdul Aziz University (9/2008 – till now)
  - Member of Educational Program Subcommittee
  - Faculty Subcommittee
- Member, course specifications committee (3/2009 – till now)  
Member, course report committee (3/2009 – till now)

#### **Membership of Academic Committees:**

- 1- Member of Curriculum Monitoring Committee
- 2- Member of Clinical Skills Module Committee

#### **SCIENTIFIC ACTIVITIES:**

#### **CONTEXT (1): QUALITY ASSURANCE of EDUCATION**

1. Setting & implementing an action plan for orientation & training of staff on:
  - Self – assessment culture
  - Setting an internal quality assurance system at the level of departments, units, administration, faculty

- Formulating “Intended Learning Outcomes” for educational programs & courses
  - Compiling courses specifications & reports
  - Formulating the mission statement and aligning goals and strategic objectives accordingly
2. Assessing compliance of performance to good practice according to the standards.

## **CONTEXT (2): Medical Education Development**

\*As Associate Professor, Medical Education Department (5/2009–till now):

### **A – Curriculum Design:**

Planning and implementing relevant courses for health professionals based on rational principles of learning and instruction and reflecting the mission and intended learning outcomes of each faculty:

- Development of Clinical Skills Module for 4<sup>th</sup> Year students
- Design of "Research methodology" for postgraduates
- Design of " Biostatistics " for postgraduates

### **B – Curriculum Analysis:**

Analyzing and critiquing of health professions curricula:

- a- Faculty of Medicine Educational Program
- b- Faculty of Medicine Educational Courses

### **C – Curriculum Evaluation:**

*Evaluating programs and courses through:*

- A-Designing evaluation questionnaires
- B-Proposing an evaluation system for exams

### **CONTEXT (3): Delivered Presentations On:**

- Training sessions on "Formulating sound intended Learning Outcomes & Compiling Course Specifications and report" over the 2<sup>nd</sup> semester 2009 for department & module coordinators in the Faculty of Medicine – King Abdul Aziz University.
- Workshop “How to Moderate a Course/Module Effectively” in Westin Jeddah Hotel on 6/4/2009.
- “Six steps approach of evidence based assessment” presented, during the 1<sup>st</sup> semester of 2010, to all the departments (basic science and clinical) and modules of the faculty.

### **Training Courses:**

1. Attended “Student Assessment Strategy Workshop” conducted by Dr. Mona Al-Sheikh, the head of the Examination center King Fasial University, Damam and Item Bank administrator (Hong Kong), in 6/2009.
2. Attended "Exam Preparation Course "in collaboration with University Illinois Chicago – on 21-24/3/2009
3. Attended: Simulated Patient Training Program" in collaboration with university Illinois Chicago – on 25/3/2009 – Faculty of Medicine – King ABDUL Aziz University.

Dr. Adnan Al Mazrooa

Dean, Faculty of Medicine  
King Abdul Aziz University  
28/5/2009

### السيرة الذاتية

الاسم: باسم سلامة عبد الحليم الديك

تاريخ الميلاد: 28 / 11 / 1970

الجنسية: مصرى

الديانة: مسلم

الحالة الاجتماعية: متزوج

الوظيفة الحالية: مدرس الصحة العامة والطب الوقائى بكلية الطب جامعة المنصورة

البريد الإلكتروني: Basem\_eldeek@yahoo.com

[Basem\\_eldeek@hotmail.com](mailto:Basem_eldeek@hotmail.com)

### المؤهلات الدراسية

- بكالوريوس الطب والجراحة-جامعة المنصورة-بتقدير جيد جدا نوفمبر 1994
- ماجستير الصحة العامة والطب الوقائى بتقدير امتياز
- دكتوراه فى الصحة العامة والطب الوقائى 2002
- ماجستير فى التعليم الطبي من جامعه ماست رخت بهولندا بالتعاون مع جامعة قناة السويس بمصر فى أبريل عام (2009)م.

### نشاطات ما قبل التعيين

- 1- طبيب امتياز بمستشفى المنصورة الجامعى من 1-3-1995 الى 28-2-1996
- 2- طبيب رعاية صحة أولية 1-3-1996الى 29-5-1996

### نشاطات التعيين وما بعده:

1. تاريخ التعيين معيدا بقسم الصحة العامة وطب المجتمع كلية الطب – جامعة المنصورة
2. تم اجتياز الجزء الاول من ماجستير الصحة العامة بتقدير امتياز فى المواد التالية
3. البكتيريا وصحة البيئية وطرق البحث والاحصائيات الحيويتمو علم الاجتماع والسلوكيات
- التسجيل لرسالة الماجستير فى 1997
4. مناقشة الرسالة الماجستير فى 1998 بتقدير جيد جدا
5. درجة الماجستير 1999 ووظيفة مدرس مساعد 1999

6. التسجيل لدرجة الدكتوراه 1999
7. مناقشة الرسالة الدكتوراه 2002
8. اجتياز امتحان الدكتوراه 2002 بتقدير جيد جدا
9. الترقية لدرجة مدرس الصحة العامة ووالطب الوقائي

#### النشاط العلمى والثقافى:

#### أولا فى مجال التدريس للطلاب

- (1) -التدريس لطلاب الفرقة الرابعة والخامسة والسادسة فى مجال الاحصائيات الحيوية وطرق البحث ومجال رعاية الامومة والطفولة والصحة المدرسية والوحدات الريفية
- (2) -عمل بعض المشروعات للطلاب فى مجال الامومة والطفولة والصحة المدرسية والوحدات الريفية
- (3) -اجتياز دورة المعلم للاعداد التربوى
- (4) -التدريس لطالبات المعهد الفنى للتمريض
- (5) -التدريس لطالبات كلية للتمريض مقرر الاحصائيات الحيوية وطرق البحث
- (6) -التدريس لطلاب الدراسات العليا مقرر علم الادارة وتحسين الجودة مجال الامومة والطفولة والصحة المدرسية والوحدات الريفية
- (7) -التدريس فى مجال ادارة المستشفيات لطلبة الدراسات العليا بكلية التجارة

#### ثانيا فى مجال القوافل الطبية

التعيين كمنسق للقوافل الطبية لجامعة المنصورة والمشاركة فى جميع القوافل الطبية من 1996 الى 2001

#### ثالثا المؤتمرات والندوات العلمية

- 1-الاشتراك فى المؤتمرات السنوية لكلية الطب بالمنصورة من عام 1996 الى 2001
- 2-ورشة عمل عن كيفية علاج الالتهاب التنفسى للاطفال
- 3-ورشة عمل عن كيفية علاج امراض الاسهال للاطفال
- 4-ورشة عمل عن كيفية الرضاعة الطبيعية
- 5-ورشة عمل عن التعليم الطبى المتكامل

#### رابعا الابحاث العلمية

- 1) " m RNA of circulating cytokines in Juvenile rheumatoid arthritis:
- 2) "Relation between apoptosis and HLA-DR alleles in juvenile rheumatoid"
- 3) " Soluble Tumor Necrosis factor and Interlukin-2 Receptors in
- 4) in Juvenile rheumatoid arthritis"

- 5) " Smoking habits among final year medical students at mansoura university"
- 6) "Cerebral palsy .three year at Mansoura University, Pediatric hospital ,Neurology department
- 7) "Physical education and activity in preparatory and secondary schools
- 8) "Effect of microwave radiofrequency in Batra village (Acknowledgment)
- 9) "Epidemiology and risk factors of cancer bladder" Acknowledgment"
- 10) "Satisfaction of Egyptian couples in Nile delta to different therapeutic modalities of organic erectile dysfunction:
- 11) "Assessment of the efficacy of merazide in treatment of Bilharsiasis & Fascioliasis in a village in Behra governorate
- 12) "Implication of TNF alpha , sFAS &apoptosis in isulin dependent DM"
- 13) "Gene expression&circulating ctokines in juvenile rheumatoid arthritis"
- 14) "Assessemennt of the effect of comatability marker o bone marrow transplants in haematologic malignancies
- 15) " Gene expression &circulating cytokines in immune rheumatic disease relation with activity&autoantibodies production"
- 16) "Status epliepticus in children with epilepsy potential risk factor"
- 17) "Overview on childhood leukemia in North East Egypt:
- 18) "Evaluation of risk perception &precaution taken by health workers for HIV infection in hawmodialysis unit"
- 19) "Effect of health education and exercise training on knoweldege attitudes practice about DM"
- 20) " Risk factor and hazards of obesity among adults in an Egyptian rural area in Damietta governorate"

خامسا في مجال الاشراف على رسائل الماجستير والدكتوراه

- 1) Violence against females in Mansoura, Dakahlia Governorate, M.SC. in public health, Mansoura University, Egypt

- 2) Cancer Pancreas Epidemiology and risk factors females in Mansoura, Dakahlia Governorate. M.SC. in public health, Mansoura University, Egypt
- 3) Evidence based medicine in treatment of nephritis syndrome M.S.C in Pediatric department in Mansoura faculty of medicine, Mansoura University, Egypt
- 4) Knoweldge attitudes &practice of school personels towards Violence against students M.S.C in faculty nursing Ain Shams University
- 5) Epidemiology of leprosy in Dakhlia governorate M.S.C in Dermatology department, Mansoura University, Egypt

سادسا فى مجال تحسين اللغة الانجليزية

- تم اجتياز دورة اللغة بتقدير جيد جدانتحت اشراف كلية التربية والاداب

سابعا فى مجال الحاسوب والتحليل الاحصائى

- دورات فى نظم التشغيل وقواعد البيانات وبرامج والتحليل الاحصائى

ثامنا فى مجال التحليل الاحصائى

- التحليل الاحصائى لرسائل الماجستير والدكتوراه منذ عام 1996 حتى الان بأمانة لاستطيع حصر العدد الاجمالى

لما تم عمله

تاسعا فى مجال عيادة الممارس العام

- العمل فى عيادة الممارس العام لجمعية الهلال الاحمر المصرى
