

Date: 12th of March, **Day:** Monday

Location: Hilton

C.E credits: 4 hours

Dr. Winston Chee

Interactive seminar

Title: Decisions for Extensively Damaged Dentition

Registration fees:

Before 15th of Feb 2012

300 SR

After 15th of Feb 2012

600 SR

Outline:

Examples of damaged dentition with increasing complexity of treatment will be presented and the participants will be asked for evidence-based input. Emphasis will be placed on obtaining the proper diagnosis and then choosing the proper therapy to reconstruct the patient's dentition.

Curriculum Vitae:

- Dr. Winston Chee is the Ralph W. and Jean L. Bleak Professor of Restorative Dentistry at the School of Dentistry, University of Southern California. He is on the editorial board of the Compendium of continuing education in Dentistry and a Consultant on Implant Dentistry to the Council of Dental Materials Equipment and Devices, American Dental Association.
- He is a Diplomat of the American Board of Prosthodontics and has been a full time faculty member of the University of Southern California School of Dentistry since 1986. He has developed and taught courses at the pre and post doctoral levels, published over 50 articles on dental materials and implants in peer reviewed journals and lectured worldwide on the subject of implant dentistry. He is a Fellow of the American College of Prosthodontists, Fellow of the American College of Dentists, Member of the American Academy of Restorative Dentistry, CAIC study club, Academy of Osseointegration, ADA, CDA and San Gabriel Valley Dental Society.
- At present he is the Director Implant Dentistry and Co-Director of the Advanced Prosthodontics Program. He also maintains a Private Practice Limited to Prosthodontics in Pasadena, California.
