Recent Professional Development Activities (Workshops, training, etc.)

- 1. Participating in a training course entitled "Principals of Rock Blasting" supervised by deanship of community services and continuing learning at King Abdulaziz University, 2008
- 2. Participating in a training course entitled "The Different Methods for Estimation of Ore Reserves" supervised by deanship of Community Services and Continuing Learning at King Abdulaziz University, Ministry of Petroleum and Mineral Resources, Deputy Ministry for Mineral Resources, and Arab Industrial Development and Mining Organization, on 27/2/2010
- 3. The scientific organizer for a training course entitled "Prefeasibility Studies For Mining Projects" supervised by Deanship of Community Services and Continuing Learning at King Abdulaziz University, Ministry of Petroleum and Mineral Resources, Deputy Ministry for Mineral Resources, and Arab Industrial Development and Mining Organization, that will be held on 2/4/2011
- 4. The scientific organizer for a training course entitled "ores exploration, extraction processing and marketing" supervised by Deanship of Community Services and Continuing Learning at King Abdulaziz University, Ministry of Petroleum and Mineral Resources, Deputy Ministry for Mineral Resources, and Arab Industrial Development and Mining Organization, that will be held on 2/4/2012
- 5. Industrial DACUM Workshop, Mining Engineering Dept, King Abdulaziz university 2012
- 6. Workshop of the University Center for Teaching and Learning Development
- 7. Academic advisor for more than 29 students, over 6 years, Mining Eng. Dept. KAU
- 8. Participant member in Engineering Day along 5 years
