- Approval must be obtained **in advance** if at all possible, otherwise, the absence reason must be provided within, at most, one week following the exam.
- If a student misses the final Exam then, Approval must be done by the Educational Affairs department to get an In-complete degree.

Expectations from students:

I aim to treat all students with respect and fairness. Since I expect the same consideration, please observe the following courtesies:

- ❖ **Attendance at each scheduled class meeting is expected.**
- ❖ **DN will be given if the student misses 25% of the classes (11 Absence lectures)**
- ❖ **Arrive for class on time.** Late class arrivals are disruptive and inconsiderate; moreover, they may be regarded as absences.
- ❖ **Silence cell phones.** Use of cell phones in the classroom will not be permitted; you should not bring one into the classroom unless the ringer is turned OFF. Students in violation of this policy may be asked to leave class

*Wish you a Successful Semester
