Website : <http://tourism.kau.edu.sa>

History:

The institute was started in the academic year 2009 - 2010 with one department offering a diploma in Hospitality in English.

Vision:

The Institute aims to be perceived as the preferred supplier of hospitality management talents - the leader of hospitality education in Saudi Arabia, accredited by the government and with the consulting support of École hôtelière de Lausanne (EHL).

Mission:

To develop the hospitality and tourism industry, human resources capable of delivering quality at international standards of excellence thereby facilitating globally competitive products and service.

Departments and Academic Degrees :

The Institute of Tourism has one department offering a Diploma in Hospitality and another in-active department offering a diploma in Travel and Tourism.
