

Supported by

The Saudi Scientific Society for Biomedical Engineering (SSSBE) invites it's members to

Scientific Forum of Biomedical Engineering

Saudi Health Exhibition 13/5/2013

Riyadh Exhibit Center, King Abdullah Road

Participants

08:45 Welcome from Dr Ahmed Albarrak, Vice President, SSSBE, Riyadh, Kingdom of Saudi Arabia

Session 1 Biomedical Engineering Programs in Saudi Universities

Chair: Dr. Abduameed AlKhateeb, Assistant Professor, Biomedical Engineering and Member of SSSBE, Jeddah, Kingdom of Saudi Arabia

9:00 Biomedical Technology Program at College of Applied Medical Sciences

Dr. Ali Al Anazi, Assistant Professor of Biomedical Technology Department, College of Applied Medical Sciences, King Saud University, Riyadh, Kingdom of Saudi Arabia

9:15 Biomedical Engineering Program in Engineering Colleges

Dr. Nazeeh Alothmany, Assistant Professor, Electrical and Computer Engineering Dept (Biomedical Option), King AbduAziz University, Jeddah, Kingdom of Saudi Arabia

9:30 Biomedical Engineering Program in Female Engineering Colleges

Prof. Abdul Razaq Shah Bukhari, Professor and Head Department of Biomedical Engineering, College of Engineering, King Faisal University, Al-Ahsa, Kingdom of Saudi Arabia

9:45 Medical Technology program at community Colleges

Dr. Ameer Altinawi, Assistant Professor, Chairman of Applied Medical Sciences Department, Riyadh Community College, King Saud University, Riyadh, Kingdom of Saudi Arabia

Registration is Exclusive for SSSBE Members

Conference chairs

Dr Ahmed Albarrak, Vice President, SSSBE, Riyadh, Kingdom of Saudi Arabia

Dr. Ibrahim Andijani, Chairman of Scientific Committee; In charge of Scientific Events, SSSBE, Riyadh, Saudi Arabia

Dr. Nazeeh Alothmany, Chairman, SSSBE, Jeddah, Kingdom of Saudi Arabia

Eng. Hamad Albadr, SSSBE Member

10:15 COFFEE BREAK

Session 2 Modern Trends in Biomedical Engineering in the world

Chair: Dr. Engr. Meteb Altaf, Assistant Research Professor, The National Center for Robotics and Intelligent Systems, King Abdulaziz City for Science and Technology (KACST), Riyadh, Kingdom of Saudi Arabia

10:45 Modern Trends in Biomedical Engineering: Dr. Wleed Zagla, Assistant Professor, Higher Colleges of Technology Dubai Women's Campus, Zaid University, Abu Dhabi, United Arab Emirates

11:20 Challenges Facing Biomedical Engineers in The future :Dr. Hashem Alfadel, Regional Director; Middle East, Temos International GmbH, Amman, Jordan

11:40 Biomedical Engineer and Market Requirement and Needs: Dr. Abduhameed AlKhateeb, Assistant Professor, Department of Electrical Engineering and Computer Engineering (Biomedical Option), King Abdulaziz University, Jeddah, Kingdom of Saudi Arabia

12:00 LUNCH BREAK AND PRAYER

Session 3 - Professional Registration and Accreditation for Biomedical Engineers in Saudi Arabia (Panel Discussion)

Chair: Mr. Ibrahim Hafez, Assistant Deputy minister for Supply and Employment, Ministry of Health, Riyadh, Kingdom of Saudi Arabia

13:30 Ministry of Civil Service: Mr. Adel Al Yousef, General Director of Job Classification, Ministry of Civil Service, Riyadh, Kingdom of Saudi Arabia

13:50 Saudi Commission for Health Specialties: Dr. Yasser Tashkandi, Assistant Secretary General for Classification & Registration, Saudi Commission for Health Specialties (SCFHS), Riyadh, Kingdom of Saudi Arabia

14:10 Saudi Council of Engineers: Eng. Sulaiman Alamoud, Accreditation Center General Director, Saudi Council of Engineers SCE, Riyadh, Kingdom of Saudi Arabia

14:30 COFFEE BREAK

Session 4 - Medical Equipment Recall System

Chair: Dr. Ibrahim Andijani, Chairman of Scientific Committee; In charge of Scientific Events, SSSBE, Riyadh, Saudi Arabia

15:00 International Center for Medical Devices Reporting: Mr. Sudaram Ramnath, Principal Consultant, ECRI Institute, USA

15:25 National Center for Medical Devices Reporting –SFDA: Eng. Mohammed Al-Hayan, Director of Surveillance Department, Medical Devices Sector, Saudi Food & Drug Authority SFDA, Riyadh, Kingdom of Saudi Arabia

15:50 End of Day and Conference

15 CME Hours
