

How align Assignments with the course learning outcomes(CLO)

After instructors create an Assignments , they can align it with related goals. When you align goals to each assignment , you can demonstrate if Assignments are effective. From an item's option, select *Add Alignments*. The *Discover Goals* window appears.

01 Assignments

02 LAB Assignment#1
 Availability: Item is hidden
 Enabled: Statistics Tracking
 Attached Files: assignment-1.docx (313.626 KB)
 Note to the Instructor: Make the Assignment available after modifying

03 Add Alignments

04 Discover Goals window

05 Goal Type selection

06 Goal Set selection

Goal Set	Goal Set Description	Course Outcomes
CPIT_201_CLO_02_00 - CPIT_201_CLO_02_00: COGNITIVE SKILLS	Define the concept of the number systems	Information Technology (IT) Course Outcomes
CPIT_201_CLO_03_00 - CPIT_201_CLO_03_00: COMMUNICATION	INFORMATION - Compute and convert between different numbering Systems	Information Technology (IT) Course Outcomes
CPIT_201_CLO_04_00 - CPIT_201_CLO_04_00: COGNITIVE SKILLS	Discover how the computer represent, manipulate different data types	Information Technology (IT) Course Outcomes
CPIT_201_CLO_05_00 - CPIT_201_CLO_05_00: KNOWLEDGE	Describe the basic structures and functional components of computer hardware and how the computer communicates with peripherals	Information Technology (IT) Course Outcomes
CPIT_201_CLO_06_00 - CPIT_201_CLO_06_00: COGNITIVE SKILLS	Describe the basic operating systems functions and how the functions are done	Information Technology (IT) Course Outcomes
CPIT_201_CLO_07_00 - CPIT_201_CLO_07_00: KNOWLEDGE	Compare different operating systems	Information Technology (IT) Course Outcomes
CPIT_201_CLO_08_00 - CPIT_201_CLO_08_00: KNOWLEDGE	Discover the computer network criteria, physical structure and network categories.	Information Technology (IT) Course Outcomes
CPIT_201_CLO_09_00 - CPIT_201_CLO_09_00: Describe constructions	and operation of computer networks, applications of networks, Internet and security.	Information Technology (IT) Course Outcomes
CPIT_201_CLO_10_00 - CPIT_201_CLO_10_00: COGNITIVE SKILLS	Solve problems using the concept of algorithm and the different approaches of writing algorithm.	Information Technology (IT) Course Outcomes
CPIT_201_CLO_11_00 - CPIT_201_CLO_11_00: KNOWLEDGE	Identify	Information Technology (IT) Course Outcomes
