ACTIVITIES:

١. Referee of scientific papers for Saudi Medical Journal.
٢. Referee of scientific papers for King Abdulaziz Medical Journal
٣. Lecturer in the organized courses for the first and second part Arab Board in Ob/Gyn and MRCOG.
٤. Examiner in the Saudi Board of Ob/Gyn
٥. Writer of scientific paper in local newspapers (AL BILAD)
٦. Examiner of Master Degree
(The relation of Estrogen receptor and some on oncogenous in cancer breasts)
٧. Supervisor of Master Degree

Serum zinc level in normal and abnormal pregnancy for women in Western region of Saudi Arabia

Biochemical parameters in Human Seminal Plasma and their relation to Fertility

SPECIAL INTEREST:

INFERTILITY

STEM CELL

CHEMICAL and BIOCHEMICAL Changes that occur in the human body during physiological status like pregnancy and abnormal insults and diseases>

BOOKS

١. Aafaq ١ medical subject for nonmedical (In Arabic ٢٠٠٦)
٢. Afaaq ٢ medical subject for nonmedical (In Arabic in progress)
٣. Stem cell (In Arabic ٢٠٠٨)
٤. MCQ and OSCE (In English in progress)

**PROF. HASSAN SALAH OMAR ABDULJABBAR, MD, FRCS(C),
American Board of Obstetrics and Gynecology Diplomat**

**Consultant and Professor
Chairman of Obstetrics and Gynecology**

**King Abdulaziz University Hospital
Department of Obstetrics and Gynecology**
